

We are ordering the following modules of the CoolTool - software :

Modules:

No.	Modul/ Description	Price €
1.	CoolTool for one stage refrigeration plants	☐ 400,-
2.	CoolTool for two stage refrigeration plants	☐ 400,-
3.	CoolTool for compound plants with direct evaporation	☐ 800,-
4.	CoolTool for cold water compound plants	☐ 800,-
5.	CoolTool for compound plants with flooded evaporation	☐ 800,-
6.	CoolTool h,x - chart, air humid handling	☐ 200,-
7.	CoolTool cold room calculation	☐ 200,-
8.	CoolTool air conditioning	☐ 300,-
9.	CoolDraw incl. EN 1861/ DIN 40 900 symbols	☐ 400,-
10.	CoolTool HeatPump Design/ Amortisation	☐ 400,-
11.	CoolTool Calculation	☐ 200,-
12.	CoolTool EnerSim - Pro Energy Optimisation	☐ 200,-
13.	CoolTool Compound - Satellite- System	☐ 800,-
14.	CoolTool Database	☐ 150,-
15.	CoolTool Diagnostics Softwaremodule (for DIAGNOSTICS Prices and combinations ask for our actual CoolTool- Diagnostics-Pricelist)	

Software packages for special conditions:

No.	Modul/ Description	Price €
A1.	CoolTool basic pack I: Modules 1,7 + Database The basics: pipe layout, cooling load and component selection	☐ 690,- (instead 750,-)
A2	CoolTool basic pack II: Modules 1, 6, 7, 8 ,9, 12 + Database Everything for the daily needs in cooling business: pipe layout, components, cooling load, drawing etc.	☐ 1590,- (instead 1850,-)
A3	CoolTool air conditioning package: Modules 1, 4, 6, 8 + Database Everything you need for air conditioning: h,x Chart, coldwater tube framework, cooling equipment etc.	☐ 1590,- (instead 1850,-)
A4	CoolTool professional package: Modules 1, 3, 4, 6, 7, 8, 9, 12, 13 + Database Single step circuit, direct evaporation, cold water, compound plants, satellite- systems, design, energy optimisation, cooling load, air humid handling, documentation, system flow diagramm, partlist or layout and comparison of components: a comprehensive sophisticated package.....	☐ 3490,- (instead 3750,-)
A5	CoolTool complete package: 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13 + Database	☐ 5190,- (instead 5850,-)

Special CoolTool service maintenance contract :

- ☐ Several times per year the new Version of the software modules and the database with better and extended functions, more parts, more graphical elements etc. via e-mail into your version.
From 2'nd year after purchase for 10 % of the original price of your license-version:
- ☐ No service-maintenance: **We disclaim explicit** extensions and operating system-adaptions from 2'nd year after purchase of license
